“Businesses need to understand how IP relates to their products, their customers, and their competitors, and use that understanding to optimize their use of IP. That’s why I’m here.”

Thomas W. Humphrey is a Partner with Wood, Herron & Evans and is involved in all phases of the firm's practice, with concentration on electronic, software and computer technologies.

Tom joined Wood, Herron & Evans in 1993. He has served as Chairman of the Cincinnati Bar Association's Computer and High Technology Law Committee. Admitted to the Ohio bar in 1993 and to the U.S. District Court, Southern District of Ohio in 1994, Tom is also registered to practice before the U.S. Patent and Trademark Office.

At the Massachusetts Institute of Technology, Tom received both a Bachelor of Science degree and a Master of Science degree in Electrical Engineering in 1989, and he was a member of Tau Beta Pi and Eta Kappa Nu. He then graduated cum laude with a Juris Doctor degree from Harvard University.

Tom is an active member of the Cincinnati Bar Association and the Cincinnati Intellectual Property Law Association. He has lectured on patent, copyright and trade secret law at Xavier University's College of Business Administration, at Northern Kentucky University's Salmon P. Chase College of Law and at various legal education seminars. Tom was named as one of the Ohio Super Lawyers - 2006 Rising Stars by Law and Politics Media. He has been recognized by The Best Lawyers in America® since 2014. He resides in Glendale, Ohio with his wife Susan and their two children.
